5. To consider progress with the Local Plan (including Green Belt review and feedback from the event held on 25 July 2019)

Progress on the Local Plan, including the Green Belt review is currently paused whilst an evaluation is carried out. The District Council is left to decide whether to adopt as it is, or begin again which would both cost a substantial sum but would enable them to re-set the housing targets for the District. Two areas in Dronfield, two in Killamarsh and a tiny area in Holymoorside have been proposed to be taken out of green belt protection. The original review is being examined.

6. To consider progress with the Neighbourhood Plan (attached, including new housing and employment sections)

The housing section was considered, there is not a lot of scope due to greenbelt, conservation areas and the Peak District National Park and other planning constraints, but if a need was identified via an affordable housing survey or similar then there may be support for a rural affordable housing exception site, but only if there was compelling justification and need.

The employment section was considered, there are a number of small scale employers including plant hire, a small commerce park, online businesses, working farms, people working from home, pubs offering food which aids the visitor economy, horse related activities including stabling, links to racing, lessons and livery.

7. To consider policy options

- **Important views and vistas (to agree the final proposals)** – Photographs have been taken, these will be on display at the consultation event.
- **Important Community facilities (to agree the final proposals)** – agreed subject to consultation event
- **Local Green Spaces (to agree the final proposals)** – agreed subject to consultation event
- **Community Transport (including report on information provided by Derbyshire County Council)** – The Bus Strategy by Derbyshire County Council is not yet ready, service 16/16a is DCC funded, 170 and 66/66a are commercially run and no changes are known at this time. District Councillor Martin Thacker has a meeting planned with Stagecoach and Hulleys in October. Car sharing via What's App to be promoted.

8. To consider future consultation arrangements

A consultation event is to take place so that residents in each village have a chance to see and contribute to the plan. Subject to room availability the events will take place on the 12 October 2019

Resolved: To check room availability at Cutthorpe and Old Brampton

Resolved: For David to draft up an invitation leaflet

Resolved: For Liz to arrange printing and distribution
