### **5. To Consider Policy Options**

- Local Wildlife Sites – agreed to split into three divisions
  - 1 – National
  - 2 – Local
  - 3 – Brampton
- Distinctive Views and Vistas – stickers were put on maps depicting the major views in the Parish. These are to be photographed to substantiate.
- Areas of Separation – again stickers were put on the maps to establish where the green public spaces are located.
- Built Environment – community buildings and public houses were located on the maps and also any heritage assets that were not on the statutory list of heritage assets. Over 100 heritage assets are listed on the Derbyshire Historic Environment Record, these are to be researched to establish which should be included within the plan
- Woodland – many areas of woodland are located within the Parish, the ancient woodlands to be established at the next meeting.

### **6. Funding Update**

The next tranche of funding has not yet been signed off by Government, it is anticipated that the bidding process will not be open until the middle of May 2019.

**7. To Agree the Next Policy Option to be Considered**
