#### **069/22-23 Meeting Reports**

##### a) Cutthorpe Playground and recreation ground

Cllr Lawrie had previously circulated the quotes and plan for the play equipment. There was discussion around layout and fencing. General comments were very positive. Cllr Lawrie confirmed there was a 10 year warranty on the equipment and that there may need to be some pruning of the trees around the perimeter. There was a concern raised around access to the recreation ground through the gate onto the main road but this could be addressed by altering the layout of the equipment prior to installation.

The Parish Council passed on their thanks to the Cutthorpe Matters group for their work on producing the plan to date and for their efforts in local fundraising.

Cllr Lawrie proposed that the scheme is progressed and that the grant application to Viridor be submitted. Cllr Phipps Seconded.

**Resolved:** It was unanimously agreed for the grant application to Viridor be submitted on the basis of the proposal discussed.

b) Wadshelf Playground

Cllr Phipps noted that the dry stone wall at the back of the park had a few stones missing. He will take a closer look when he is next passing. It was agreed that a further application to the Shared Prosperity Fund be considered to replace the fencing. The Clerk will forward the details of a contractor to Cllr Phipps.

c) Works

i) It was noted that the trees at the bus stop near the recreation ground need pruning as bus drivers cannot see the stop. Cllr Colwill is to try and arrange.

ii) The Clerk gave the new defibrillator pads to Cllr Phipps for the Wadshelf and Old Brampton defibrillators. Cllr Phipps said that both units were being collected on the 17<sup>th</sup> October for update. Cllr Lawrie said that the Cutthorpe unit had been collected. It was likely that all three units will require new batteries.

d) Parish Plan

Cllr Catton said that the final edit had now been completed. Cllr Catton proposed that the plan now be sent for examination. Cllr Phipps seconded

**Resolved:** It was unanimously agreed that the plan now be submitted for examination
